LIQUID PENS

The CBBA recently received a complaint about the use of coloured liquid pens for marking bowls and passed the complaint on to the CBUMA for a ruling.

In the instance mentioned, the colour came off the bowls and stained the player's clothing and shoes.

Law 15.1 states that a toucher must be marked with **CHALK**.

We therefore rule that, along with the normal chalk and spray chalk, only pens which specifically say **CHALK** may be used for marking touchers and preferably only white.

Please ensure your members are aware of this matter.
